**Experience:**

Russ Seamon began working with SeamonWhiteside+Associates during summers at the age of 16, and has 13 years (8 full-time) of master planning and landscape design experience. He has managed projects of all types from conceptualization, to design development, permitting, and construction documents through construction. In recent years, Seamon’s career has evolved to place a major emphasis on master planning and urban design.

Russ has attended, participated in, and facilitated numerous design charrettes, most recently acting as a facilitator in ULI’s Reality Check: See 2030 regional planning charrette. He was selected to attend the ASLA sponsored “Extreme LA” design charrette in Kalamazoo, MI, that consisted of 50 of the country’s top Generation X designers collaborating to develop a new urban design for Downtown Kalamazoo.

Russ Seamon is proficient in Photoshop and is an amateur photographer, with several of his photos published in Landscape Architecture Magazine. Russ also specializes in video and website design and production. He is highly active with ULI and CNU and is constantly seeking new knowledge to stay current on cutting edge trends in urban design.
